Reports within the EMR

There are many reports available to view with in the EMR that provide different kinds of data that can be useful to the facility. On the site page, go to the bottom of the screen and you will see a tab with REPORTS.

Start Date (Required) End Date (Required) Patient ID (Optional)

Pick the start date and end date you want to view and then click view report.

Missed Med Passes

Patient Number	Drug Name	First Name	Last Name	Missing Distribution Date	Session	Start Date	End Date
00001111	Insulin Regular	Tupac	Shakur	1/31/2021	0800	12/4/2020	1/31/2021
	Insulin Regular	Tupac	Shakur	1/31/2021	1100	12/4/2020	1/31/2021
	Albuterol Inhaler	Tupac	Shakur	1/31/2021	1100	1/13/2021	5/14/2021
	Insulin Regular	Tupac	Shakur	1/31/2021	1900	12/4/2020	1/31/2021
	Albuterol Inhaler	Tupac	Shakur	1/31/2021	2300	1/13/2021	5/14/2021
	Insulin Regular	Tupac	Shakur	1/30/2021	0800	12/4/2020	1/31/2021
	Insulin Regular	Tupac	Shakur	1/30/2021	1100	12/4/2020	1/31/2021
	Albuterol Inhaler	Tupac	Shakur	1/30/2021	1100	1/13/2021	5/14/2021

It will then bring up the data that you wanted to see, you are able to print these reports if you would like to for review.

The missing med pass report is especially helpful in seeing what medications are not being signed out. This report is up to date up to 24 hours prior to today's date. These missing medications can be considered medication errors since they are not signed out on the MAR, so this would be an important report to look at.
